Case No. 3:21-MJ-378

**Filed Under Seal**

**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION FOR A SEARCH WARRANT**

I, **Brad M Dorman**, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since August 2017. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").
2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On August 25, 2021, and on October 12, 2021, the U.S. Postal Inspection Service intercepted two packages going to 4841 Far Hills Ave Apt A1, Dayton, OH 45429 coming from Southern California that contained illegal narcotics. On October 18, 2021, the U.S. Postal Inspection Service intercepted another package (hereinafter “the Package”) addressed to 4841 Far Hills Ave Apt A1, Dayton, OH 45429 at the Cincinnati Network Distribution Center (NDC) coming from the Southern California area. The Package is a brown box, bearing tracking number 9405536895232469401380, mailed from Post Office 91744, postmarked October 14, 2021, with the following address information:

**Sender:** G&J Manufacturing Inc  
114 N Sunset Ave  
City of Industry, CA 91744

**Addressee:** Omar Manasrah  
4841 Far Hills Ave Apt A1  
Dayton, OH 45429-2370

Through training and experience, I know that Southern California is known drug source location.

4. A check of the addressee information was performed in CLEAR. CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is no “Omar Manasrah” associated with 4841 Far Hills Ave Apt A1, Dayton, OH 45429.

5. A check of the sender information was performed in CLEAR. According to CLEAR, there is a “G and J Manufacturing Inc” associated with 114 N Sunset Ave, City of Industry, CA 91744.

6. On October 19, 2021, at my request, Dayton Police Department Officer Jeremy Stewart conducted a narcotics-detection canine “free air” check of the outside of the Package. I was present during said check. Prior to conducting the “free air” check, the Package was placed in a room with multiple similar and like packages. As set forth in the attached affidavit of Officer Stewart, “Weston”

alerted positively for the presence or odor of a narcotic or other controlled substance on the Package.

“Weston” is a properly trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package’s address information, including (i) no known association between the addressee and recipient address, (ii) the prior seizure of illegal narcotics going to this address, and (iii) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds in the Package.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Respectfully submitted,

Brad M Dorman  
U.S. Postal Inspector  
United States Postal Inspection Service
